

EMAIL
Security/Privacy Notice

Privacy laws forbid any financial organization from sending out unsolicited personal financial data to any individual via email. You may have already provided us with your email address but due to the new privacy laws, we request that you read, complete, and sign this notice and return it to the school. It assures us that you are aware of possible access to your email information by unauthorized persons.

Please complete the following information and return this note to school immediately:

I have read and understand the above statement regarding privacy issues relating to my family lunch account and hereby authorize O'Neill Public Schools to issue email statements containing personal financial data through my email address.

Signed: _____ Date _____

Email

Address: _____

Please print clearly

Students Names: _____

O'Neill Public Schools will NOT issue any email statements unless this signed consent is on file.
