

Committee on American Civics  
November 11, 2019

The meeting was held at 6:45 on Monday, November 11, 2019. Those in attendance were Aaron Troester, Ellen Boshart, Coby Welke, Corey Fisher, Jim York and Amy Shane. Mrs. Shane handed out copies of the law to committee members and reviewed the required components. Being Veterans Day, it was a good opportunity to share how that event was commemorated in both buildings. The committee members have copies of the newly adopted social studies standards and Mr. York is taking six teachers to Wakefield for an "un-packing" of the standards this month. They will then begin to align their curriculum K-12 with the new standards. Mrs. Shane will also post the newly adopted standards on the district's web page.

The next meeting will be held on Monday, December 16<sup>th</sup>. This meeting will be advertised in the Holt County Independent, on KBRX and posted in the usual spots. The committee will receive any public comment at that meeting.
